*Thank you for your interest  
in our company.*

With a 125-year tradition of excellence and quality craftsmanship, H.H. Brown is proud to be recognized as one of the foremost leaders in the global footwear industry.

As a manufacturer, designer, importer and exporter of fine leather goods, we have artfully combined the use of modern technology, design and the highest quality materials with our long history of hand crafting footwear. We deliver unequaled fit, comfort and value through aesthetically pleasing footwear while utilizing a strategy of layered technologies in various channels of distribution.

We are much more than just good shoemakers! We are on the leading edge of technology in web design and commerce, mobile apps, and E-zine publishing while our Media Technologies Lab brings it all together to tell our story.

The right partners for us must share the same passion, excitement and commitment that we do while maintaining our old world values and giving the consumer the very best products in each market that we serve.

Please review the enclosed information for an overview of our brands whose mission is to bring Market Leadership through Product Leadership!

*\*If you would like to inquire about becoming a Distributor, Licensee or purchaser of Private Label products please contact us at [int.partners@hhbrown.com](mailto:int.partners@hhbrown.com) or apply online at [www.hhbrown.com](http://www.hhbrown.com) and click International Opportunities.*
